

Join the Friends of the Mucem

By joining the International Circle of the Friends of the Mucem, the English-speaking branch of the group, you will actively contribute to enhancing the status of the Mucem, which has already taken its place in the prestigious lineage of internationally-renowned French institutions.

Joining us also means supporting the Mucem's cultural development and enhancing the visibility of its collections through a much wider project - helping the Mucem become, in its director's words, "not just a museum, but a beacon that projects the light of Mediterranean cultures and the new vital centre of the city."
