

Join the Friends of the Mucem

By joining the International Circle of the Friends of the Mucem, the English-speaking branch of the group, you will actively contribute to enhancing the status of the Mucem, which has taken its place in the prestigious lineage of internationally-renowned French institutions.

Joining us also means supporting the Mucem's cultural development and enhancing the visibility of its collections through a much wider project - helping the Mucem become, in its director's words, "not just a museum, but a beacon that projects the light of Mediterranean cultures and the new vital centre of the city."

Becoming a Friend of the Mucem brings a number of benefits:

Free, unlimited access to all exhibitions and permanent collections

Subscription to the "Friends' Newsletter" and to the "Flash e-News"

Invitations to exhibition previews

Private, behind-the-scenes tours of the Museum

Exclusive tours with a curator

Special rates on all the Museum's activities

Meetings with curators, historians and artists

5% off prices at the bookshop

Themed conferences, excursions and trips

Regular updates on Mucem and Friends of the Mucem activities
